OCDSB Community Involvement Criteria

- **Not-for-profit:** includes voluntary activities for any **not-for-profit institution** or foundation that would not displace a paid worker.
- **For-profit:** includes voluntary activities **that are charitable-based for any business or organization that would not displace a paid worker**. *If volunteers are enhancing a product/service being sold/provided by a for-profit business designed to make it more attractive and/or a better experience for clients, then it is not in keeping with the spirit of community service and would not be an approved activity.*
- **Other:** community support that you feel warrants consideration. In this case, please **submit a brief written summary that explains how this experience meets the spirit and expectations of community involvement** as identified above.
